

# Keep on pushing Gene Clark Bill Rinehart

Keep your feet on the ground  
Don't let 'em bring you down  
All you gotta do is keep on pushin'  
All the things they say  
Don't always work that way  
Satisfy your mind and keep on pushin'

All I ever wanna see  
Baby, please, that you're not down on me

All I ever wanna see  
Baby, please, that you're not down on me

Every time I call  
Call upon you  
All you gotta do is keep on pushin'  
All the things you do  
You gotta see them through  
Satisfy your mind and keep on pushin'

All I ever wanna see  
Baby, please, that you're not down on me

All I ever wanna see  
Baby, please, that you're not down on me
